"A GOOD PLAIN COOK."

WASTED, a good plain Cook,' is hungrily echoed from the columns of the Times, by half the husbands and bachelors of Great Britain. According to the true meaning of the words 'A good plain Cook'-to judge from the unskilful manner in which domestic cookery is carried on throughout the length and breadth of the land-is a very great rarity. But the conventional and the true meaning of the expression widely differ.

What is commonly self-called a plain cook, says a writer in the Examiner, ' is a cook who scrabbing floors, polishing grates, or making beds. A cook who can boil a potato and dress

a mutton-chop is one in a thousand.' Such very plain cooks will always exist for dyspeptic purposes, while those who are in outhority over them remain ignorant of an art which, however much it may be slighted, ex-Lappiness. Eat we must; and it is literally a dessional purely, and who are to be distinguishsubject of vital importance whether what we ed from plain cooks only in this, that they re

this: in preparing butcher's meat for the table, contempt arises, as is often the origin of contempt arises. the aim of foreign cookery is to make it tender, one person in ten thousand who has ever seen. The Savannah sailed from New York, 'in ties on each side. The butcher's meat which to Nothing of the kind; it's altogether an achieve-ment of the English cuisine. I appeal to a leg of mutton, I appeal to a beef-steak, as they usu-nent divine who presided in right of distin-he failed to go, and the steamer returned to of mutton, I appeal to a beef-steak, as they usumutton half roasted .- Judge for yourself.
